CDBA Heat Policy and Timing Rules

1. All stadiums must be fitted with a thermometer.

2. When the court temperature reaches 30 degrees Celsius, the Venue Supervisor must consider implementing the heat rules.

3. When the court temperature reaches 35 degrees Celsius, the Venue Supervisor must implement the following timing rules.

– Game time reduced by two (2) minutes per half.

– Clock stops for all timeouts.

– Referees must call a compulsory timeout halfway through the half if no team has called one.

4. When the court temperature reaches 40 degrees Celsius, games must be abandoned.
